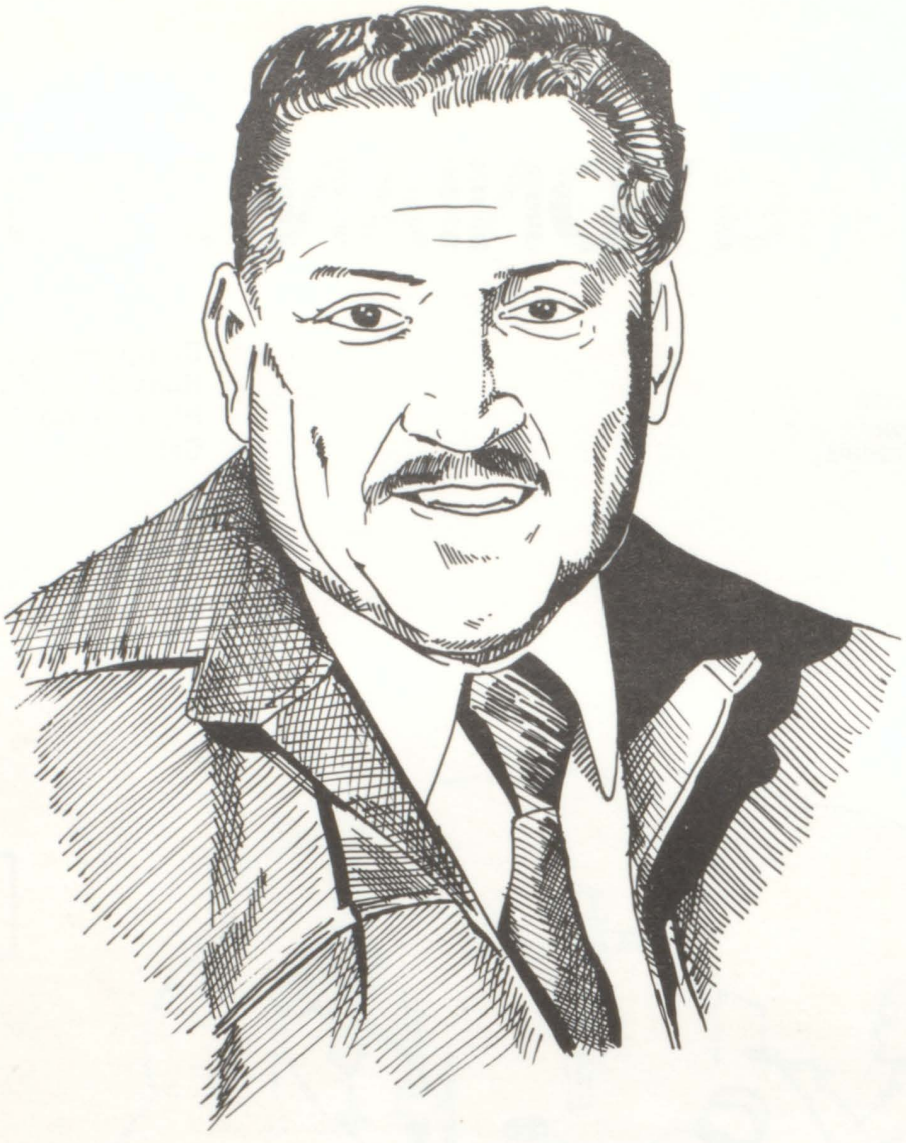
DEDICATION



Carlos Bouket

The Student Body of Washington High School wishes to dedicate the Nineteen Hundred and Eighty-Two Washingtonian to Mr. Ricardo Arenas.

Mr. Arenas has devoted twenty years of his life to Washington High School, its students, and staff. This years successful attempt to bring Freshmen Football out of the locker room and onto the field has shown us his desire to bridge the gap between faculty and students. As a past and present President of the Washington High Faculty Club, Mr. Arenas has provided both leadership and inspiration to the staff.

We offer you our thanks and best wishes for the future.

I'm Mr. Roarke. Welcome to Fantasy Island.

This year's badminton team is joined by many new faces, and seems to have the potential to carry on the Washington tradition of winning. The team is also supported by many returning players, including number one men's singles player Jesse Salinas, and MVAL women's doubles' champions Judy Over, and Kathy Mayes. The returning letterwinners, along with the new players will give this year's badminton team a successful season.

The Washington High School Rally Group of 1981-1982 worked to promote school spirit and support school athletic teams. All five squads attended the United Spirit Association camps in the summer and performed impressively. At the Santa Barbara camp, the Varsity Cheerleaders returned to Washington with all superior ribbons and a superior trophy, and the J.V. Cheerleaders brought home a superior trophy. The Varsity Songleaders also received a superior trophy and in their division of competition, took 2nd place. The J.V. Songleaders brought home a spirit stick which they shared with the Varsity Songleaders. At the Santa Cruz Camp, the Varsity Lettergirls also returned with a superior trophy and a spirit stick. The entire Rally Group plans to attend cheerleader competitions later in the year.

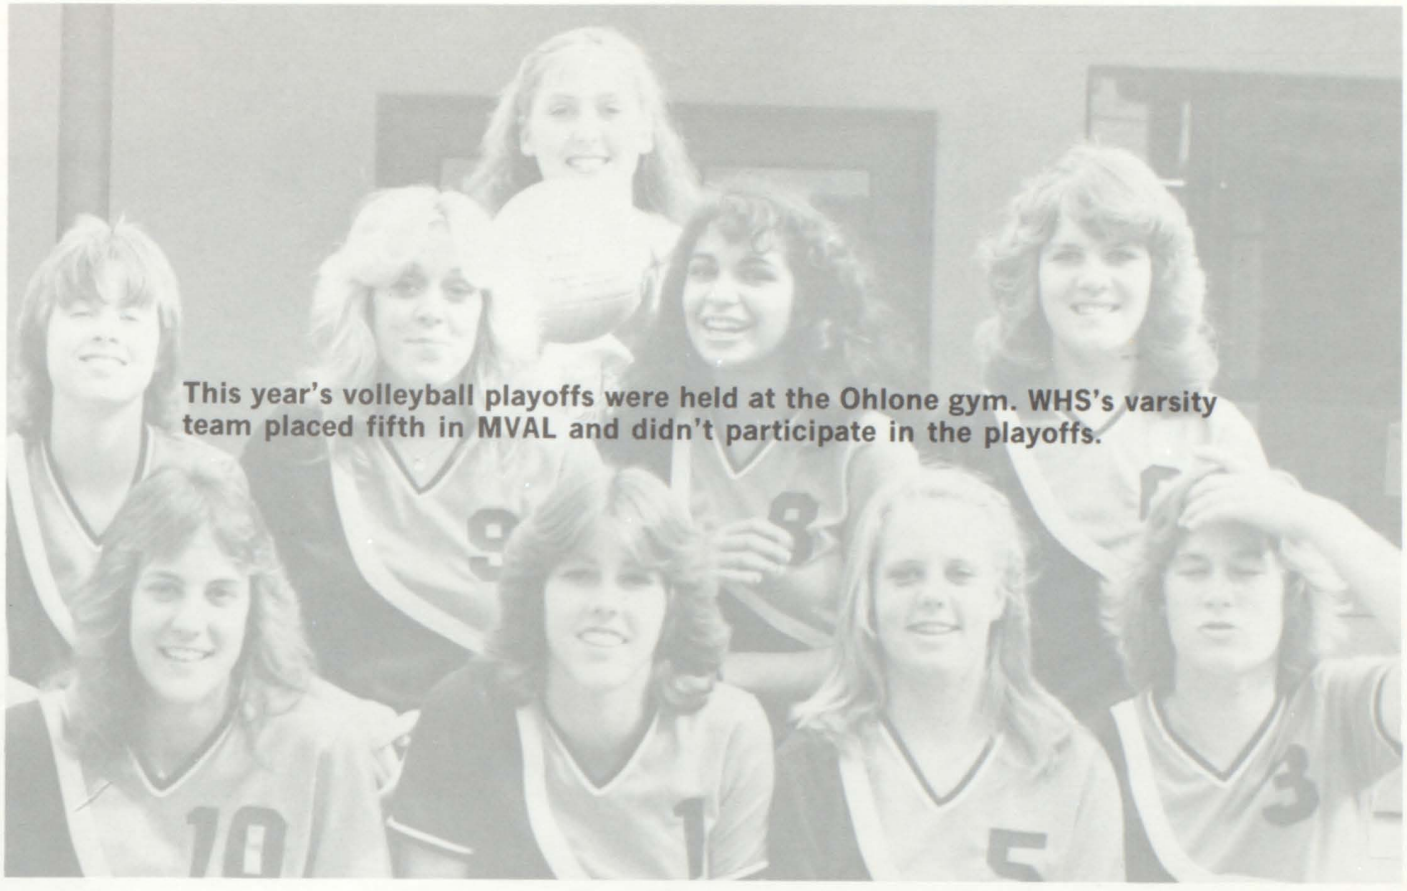
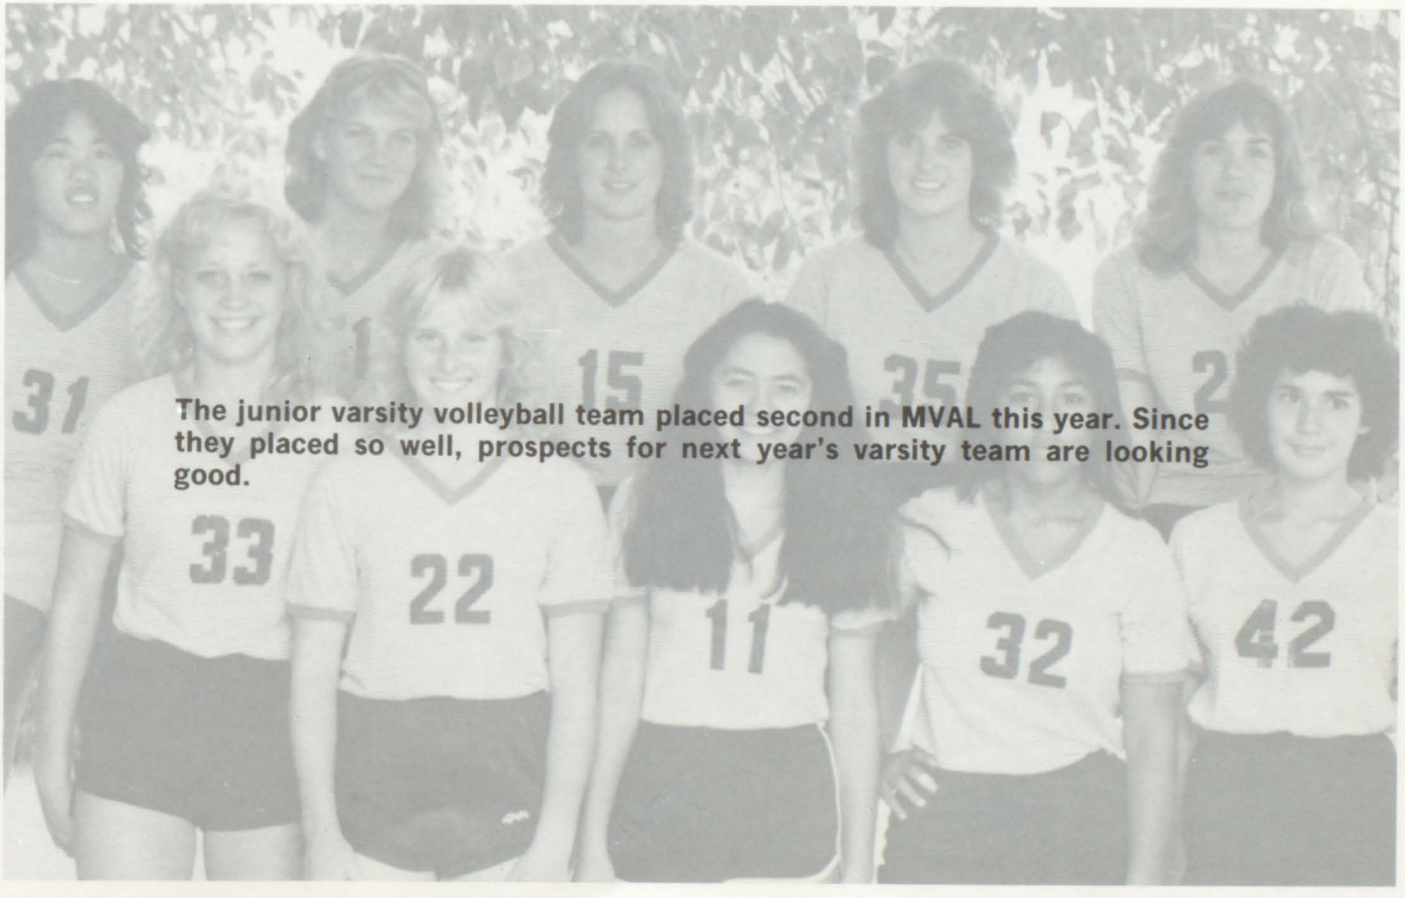
VOLLEYBALL 1981



This year's volleyball playoffs were held at the Ohlone gym. WHS's varsity team placed fifth in MVAL and didn't participate in the playoffs.



The junior varsity volleyball team placed second in MVAL this year. Since they placed so well, prospects for next year's varsity team are looking good.
